Sir:

In a paper mailed July 18, 2002, the Examiner supplied applicant's attorney with an interview summary included a "substance of interview" statement which is accurate. There is further indicated that "applicant is given one month from this interview date to file a statement of the substance of the interview."

In answer thereto, an amendment placing the case in compliance was filed on June 26, 2002. Attached to that amendment was a petition requesting withdraw of the original notice of Non-Compliant Amendment stating the reasons therefore which were discussed with the Examiner in the interview of the same date. Accordingly, it is requested that that petition be treated as a statement of the substance of the interview.

Applicant considers this case in consideration for allowance and favorable disposition of applicant's petition is also requested.

Gotus letter sent

Respectfully submitted,

Donald C. Casey
